LEMBONGAN ISLAND DAY TRIP

9 am – Departure on one of our speed yachts

10 am – Fishing – As you arrive, we will show you the best fishing places at Nusa Lembongan and will teach you how to fish if necessary. It can be either coral fishing or trolling – the choice is up to you. Here, you can catch Tunas, Mahis, Mola-mola fishes, and barracudas, along with other types of fish. Fishing equipment is provided onboard.

11 am – Snorkeling – One of the most interesting experiences is snorkeling in the crystal-clear ocean. Watch the life of marine organisms around the island with the clearest, most transparent water.

12:30 pm – Lunch – After the active first half of the day, we offer lunch and relaxation on the yacht. Our chefs will make your favorite dishes or cook the fish you caught.

2 pm – Tour – After lunch, we will take a tour around the most picturesque places of Lembongan island: Devil’s Tear, Mangrove forest, Goa Gala-Gala Underground house. The tour is taken on a minivan that fits up to 10 people. The tour fee of 70$ is not included in the initial price.

3 pm – Snorkeling – Before returning to Bali, we will have another glimpse of the underwater world of Nusa Lembongan and will dive into the ocean straight from the yacht.

4 pm – Return – Departure to Benoa Port. Travel time is one hour.

Subject to weather conditions.

NUSA DUA HALF-DAY TRIP

Nusa Dua is situated about 40 km from Denpasar and is the capital of Bali province. Nusa Dua translates literally as ‘Two Islands,’ which refers to the two small raised headlands or islands found just off the coast of the peninsula.

Nusa Dua is a separate tourist area located on the Bukit Peninsula with expensive hotels, spas, well-kept beaches, and extended infrastructure (restaurants, shopping centers). On the peninsula, you will feel completely safe, as the territory of beaches and hotels is guarded.

Fans of outdoor activities won’t get bored here: you can go kitesurfing on the beach, and the absence of strong waves makes the beaches attractive for swimming or exploring coral reefs.

In addition, local guides can offer excursions to attractions located near the peninsula, from visiting Hindu temples to climbing the volcano crater.
