DISCOVER LEMBONGAN SCUBA DIVE TRIP

Experience the thrill of scuba diving with our all-inclusive Discover Scuba Diving adventure, designed for beginners. Starting from Bali's Benoa Harbor, we'll ferry you to the idyllic island of Nusa Lembongan, where clear waters and golden beaches await. Once anchored at our custom-built pontoon, you'll be ready to dive into your underwater exploration.

Before your first dive, a PADI-certified instructor will provide a comprehensive briefing and stay by your side throughout the dive. As you get comfortable underwater, you'll be mesmerized by vibrant coral reefs and diverse tropical marine life. Beyond diving, the pontoon offers other exciting activities like snorkeling, kayaking, banana boat rides, semi-submersible coral viewing, an underwater viewing chamber, diving boards, and a thrilling 35-meter waterslide.
