KECAK AND FIRE DANCE AT ULUWATU TEMPLE

About

The Kecak and Fire Dance at Uluwatu Temple is one of Bali's most iconic cultural performances. Often called the "Monkey Chant," this Balinese Hindu dance and musical drama is performed primarily by men and is based on the legendary Ramayana epic. The dancers form a circle and chant "cak" repeatedly while reenacting scenes from the story, creating an unforgettable rhythm and energy.

Held at the magnificent Uluwatu Temple, perched on cliffs overlooking the ocean, the performance takes place at sunset, adding a magical ambiance to the experience. The dramatic fire displays further intensify the performance, particularly during the climactic battle scenes of the Ramayana.

This is a must-see attraction for anyone looking to immerse themselves in Balinese culture and enjoy the stunning setting of Uluwatu Temple.

Book your Kecak and Fire Dance experience with us and enjoy a hassle-free reservation for an evening of cultural immersion at one of Bali's most revered locations.

BOUNTY DISCOTHEQUE

About

Bounty Discotheque Bali is one of Legian's most popular nightclubs. It's famous for organizing 'wet n' wild' parties, attracting young partygoers who are holidaying in Bali. Also fondly called the 'Bounty Ship,' this vibrant entertainment complex comprises its expansive main discotheque venue, a restaurant, and a bar. Bounty Discotheque also has 2 dance floors (the largest of which is on the top floor), along with a separate deck with pool tables.

The real action starts past midnight - you'll see overflowing decks and adventurous partygoers dancing inside human-size 'bird cages.' Resident DJs spin hip-hop, modern house, and R&B on most nights. Live entertainment varies but usually consists of live percussions, foam parties, free drinking and pool competitions, fashion shows, go-go dancers, and drag queens lip-synching to Whitney Houston and Dolly Parton.
