FRESH FLOWERS

Discover the exquisite artistry of our floral designs, crafted with love and precision by our talented artisans based in Bali. We take pride in bringing you the finest flowers to make your special day truly memorable. Whether it’s a wedding, celebration, or any event, let us adorn your moments with the elegance and beauty of our meticulously arranged blooms.

Reminders:

- Every flower is unique, with natural imperfections that add to their charm. While we strive for perfection, the exact arrangement, color, or bloom shape cannot be guaranteed.
- The uniqueness of each flower makes them fascinating and special.
- Occasionally, substitutions may occur, but the value will always be equal or higher.
- Photos are for size and color reference only.
- You can select the main colors and request specific flowers for your arrangement.
- Alternatively, choose “omakase” and let us surprise you with our finest selection.
- ***Please note that rates are subject to change at the time of booking.***
