SEMINYAK VILLAGE

Seminyak Village is a modern shopping destination that graces one tucked-away corner of Bali's upscale beach resort area. Seminyak has long been known as a shopper's paradise, with its main streets lined with a mix of international and local designer boutiques and galleries, but this shopping hotspot tops the scene as Seminyak's only proper mall.

Seminyak Village is tucked well away on a side street between the famous Jalan Kay Aya dining street and the luxury villa neighborhood of Jalan Kayu Jati. It houses popular fashion brands spread throughout its 2-storey arcade.
