PRANA SPA SEMINYAK

About

One of the largest spas on the island of Bali, Prana, unlike any other, has been designed with a strong influence of Indian & Middle Eastern exotic architecture. Enjoy the rituals of ancient kings and queens as you journey through Prana's sacred Eastern traditions of health and beauty.

Inspired by the legendary Moguls of Rajasthan, the designers of Prana Spa sought to blend Indian Palatial complexity with Moroccan rustic simplicity. Whether under a tented ceiling or an elaborate hand-painted canvas, our exquisite treatment rooms are the perfect space to relax completely under the expertly trained hands of your therapist. Allow daily concerns to take a back seat as you claim time to attend to your wellness.
