

AMBER AT INTERCONTINENTAL SAMUI

IMMERSE YOURSELF IN THE CULINARY ARTS OF THAILAND

“Cooking is like painting or writing a song. Just as there are only so many notes or colors, there are only so many flavors – it’s how you combine them that sets you apart.”

-Wolfgang Puck

AMBER AT INTERCONTINENTAL SAMUI

Get an authentic hands-on culinary experience in Samui by taking a master’s class at the luxurious Intercontinental Koh Samui Resort. Before you cook, you’ll visit a local market with the hotel’s very own Chef Tao to learn about produce unique to

Thailand and meet the farmers. At the end of class, take a seat with stunning views of the ocean and enjoy your culinary creations. If you're looking for things to do with kids or things to do when it rains in Samui, this is a great rainy-day adventure.

They also have a master class in mixing cocktails, or for something more unique, you can join their master class for fruit and vegetable carvings.
