ITINERARY

Diving Destinations: Koh Tao, Sail Rock, Chumphon, Ang Tong, or Night Dive Sail Rock

The morning of the trip, you will be picked up at your hotel by their driver, who will take you to the pier where your instructor will be waiting. Silent Divers always works in small groups, with a maximum of 4 divers per instructor, although most of the time, they maintain a 2:1 ratio.

Enjoy a light breakfast at a beachfront bar while attending a short briefing

Ride a boat to the chosen dive destination. Water and soft drinks are also provided on board. For your peace of mind, the boat is provided with life vests, a First Aid kit, an Emergency O2, and a marine toilet, and all our instructors are certified and trained Emergency First Responders and Rescue Divers. Customers, staff, and crew are all covered by our comprehensive dive insurance on every trip.

After your first dive, the boat will moor in a quiet cove where you will be provided with a nice, energetic lunch while you reach a one-hour surface interval before moving to the next dive site of the day. They offer different kinds of lunch depending on the day trip, ranging from typical Thai cuisine to Western classical dishes. Vegetarian, vegan, or kosher-friendly options are available upon request.

Once the second dive is completed, your instructor will take care of your equipment so you can enjoy a few more minutes of swimming, snorkeling, or sunbathing until the boat is ready to depart back to Koh Samui, where our driver will be ready to take you back to your resort for a well-deserved rest.
