“It is almost impossible to watch  
a sunset and not dream.”

# AIR BAR

Drink signature cocktails while being serenaded by the calming, smooth sounds of live saxophone and guitar as you watch the Samui sunset from one of the best locations on the island, within the luxurious resort of Intercontinental Koh Samui. Perched high above the Gulf of Thailand, with amazing views of the ocean and the Five Islands, experience this incredible sunset location featured in The New York Times bestseller, One of 1,000 Places to Visit in Your Lifetime.
