

PRIVATE JET CHARTER

FOR STYLISH TRAVELERS WHO BELIEVE THE SKY IS THE LIMIT

“Once you have tasted flight, you will forever walk the earth with your eyes turned skyward, for there you have been, and there you will always long to return.”

— Leonardo da Vinci

PRIVATE JET CHARTERS

Travel in style with world-class, non-scheduled private jet charters. A 24/7 multi-lingual team ensures discerning travelers a smooth, swift, and private travel experience with personalized schedules, fast permit applications, fast-track, and VIP services catering to your every need, saving you valuable time and energy.

In addition, services for sub-charter brokerage worldwide are also provided, finding you the best possible charter options for any aircraft anytime, anywhere. Your frustrations with unfriendly procedures, long waits for boarding and connecting flights, and lack of privacy from commercial flying will be a thing of the past

CESSNA CITATION X

Unprecedented Performance

The Cessna Citation X is the fastest business jet in the world, with a top speed of Mach.92 able to fly at over 50,000 ft. It features one of the most aesthetically pleasing and spacious cabins for any Citation aircraft. There has been no compromise on luxury and comfort.

8 fully reclining wide-body club seats allow passengers to sleep comfortably on long flights whilst the standing cabin accommodates one flight attendant for optimal services. Its numerous amenities, from a hot galley to multiple LCD screens, iPads, and bed configurations, allow the Citation X to be the ultimate combination of comfort, range, and speed. As a Citation aircraft, it is also amongst a fleet of the safest business jets in the world, solidifying its position as one of Cessna's most impressive aircraft.

GULFSTREAM V

CESSNA CITATION BRAVO

Versatile and Cost Effective

The Cessna Citation Bravo is a fuel-efficient light jet able to perform trips like Bangkok to Chennai non-stop. Outperforming its predecessor with climb, cruise and altitude speed, whilst possessing excellent short-runway capabilities, this extremely versatile jet is able to take you to a large number of airports not accessible by many aircraft with ease. Notwithstanding its performance, the Citation Bravo manages to accommodate up to 7 passengers comfortably. It is complete with amenities including: power sockets, stowable work-tables, on-board monitors, hot & cold refreshments center as well as having numerous baggage compartments. It truly epitomizes the balance between cost and performance.

Aircraft Specifications:

Passenger Capacity - 7

Crew - 2 Captains

Cabin Length - 20.11 ft.

Cabin Width - 4.10 ft.

Cabin Height - 4.8 ft.

Baggage Capacity - 1,150 lbs

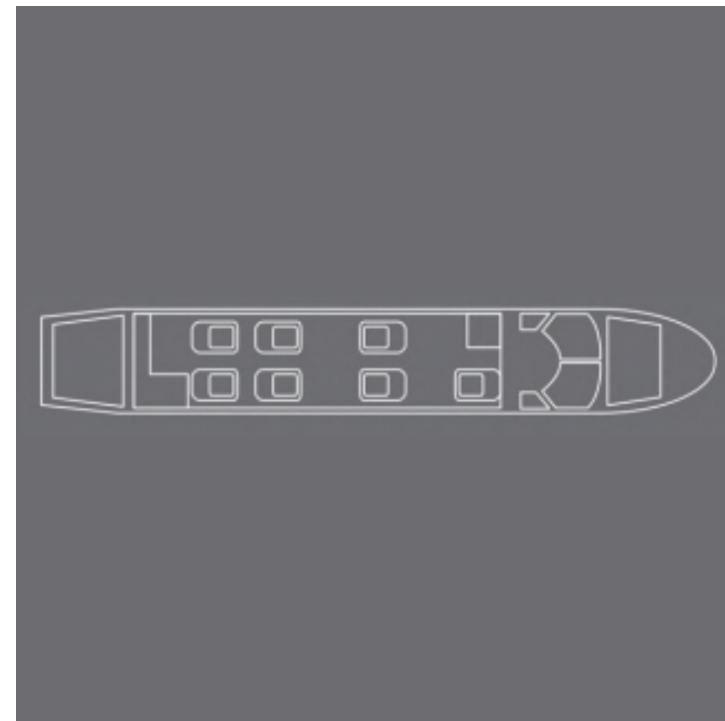

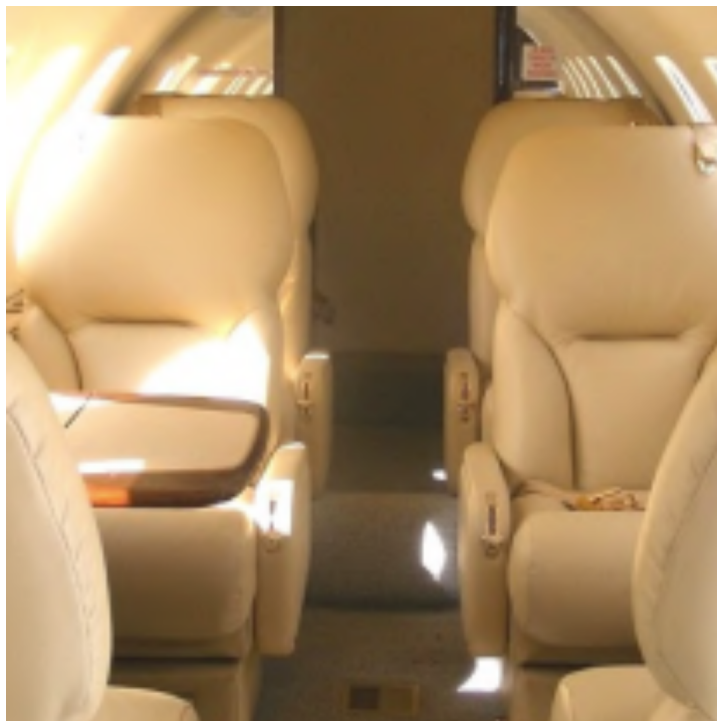

Cruising Speed - 402 knots

Maximum Range - 1,744 nm

Approx. Max. Flight Time - 4 hours
